RHIZOMES. We ship only first size roots representative of the variety. Some varieties make huge rhizomes, while others are comparatively small. We cultivate freely and use only bone meal for fertilizer.

Postage or Express is prepaid on all orders of \$5.00 or more unless otherwise stated. On orders of less than \$5.00 please add 50¢ for postage and packing. Orders of less than \$1.00 are not acceptable.

Terms cash with order please. You may make remittance by Check, Postal or Express Money Order. Do not enclose cash unless letter is registered. No C.O.D. shipments are made.

Orders may be placed at any time with deposit of 25% of order. Balance due when plants are ready for shipment or delivery.

Late in the season it is preferable that you express a second choice as some varieties sell out early and we do not substitute without your permission.

Visitors are welcome at all times when the gardens are open. Our hours during blooming season are from 8 A.M. until 8 P.M. Our blooming season usually opens about May 30th and lasts two to three weeks.

Cultural Directions will be enclosed with each order.

Time of Shipment is from July 5th until late Fall. We do not make Spring shipments. Orders are filled in rotation and of course the early orders get the early shipment if so desired.

Extras. On orders of \$10.00 or more you may choose 25% extra Iris free of charge. This is not a cash discount.

On smaller orders we always add extra plants of our choice and we would appreciate your naming a few to guide us in our choice.

OHIO CUSTOMERS MUST ENCLOSE 3% SALES TAX
